

# Sylvius Leopold Weiss

(1687 - 1750)

## Dresden Suite No.9

*Originally for lute in C major*

Arranged for Guitar  
by  
Andrew Forrest

*My thanks to Zurab Parastayev  
for his helpful suggestions and proof-reading.*

*The baroque lute for which Weiss wrote had 13 courses including a complete diatonic scale in the bass. I have endeavoured to keep the performance of this piece simple though having to stop the strings for the bass part inevitably makes the piece less easy to perform and it has not been possible to include all the lower range of notes at their original pitch.*

*In the event of a public performance, please include  
the arranger's name on the programme*
