

John Dowland

(1563 - 1626)

Dowland's Bells

(from The Lady Rich's Galliard)

Arranged for Guitar

by

Andrew Forrest

A short version of Dowland's original Galliard.
All is arranged from the tablature except a few included notes
from the full Galliard and also bars 24 - 31 between
the asterisks which are a home-composed division.
These may of course be omitted for a more authentic rendition.

*In the event of a public performance, please include
the composer's and arranger's names on the programme.*
